

**Conrad's Tire Service, Inc.
Job Description**

Job Title: Master Technician
Business Unit: Conrad's Tire Service, Inc.
Department: Service
Location: Assigned Location
Approved By:
Approved Date:
Reports To: Service Manager

CONTRIBUTION

Acts as a consultant for diagnostic work, vehicle repairs, and procedures. Also, the master technician provides leadership and direction to other members of the service department.

ESSENTIAL FUNCTIONS

Diagnoses and repairs vehicles accurately and within a reasonable time frame and with a quality of work that exceeds customer expectations.

Performs advanced remove and replace, and diagnostic work accurately according to daily work orders as received from any manager including: emission control systems; throttle body injection; electrical problems on computerized vehicles; conditions between computer, ignition, and mechanical problems; anti-lock brake systems; cruise control; all non-computerized accessories; drivability problems; on-board computer problems; import fuel injection; import ignition on computerized vehicles; auto transmissions; computerized A/C systems; and four wheel drive internal components.

Trains members of the service department thoroughly in various vehicle maintenance and repair responsibilities.

Assists location managers with daily operation of the facility through pricing work orders, requisitioning parts, shop organization and supervision of other members of the service department.

Operates acceptably and safely the following equipment: diagnostic scan tool, DSO, smoke machine and all equipment required to perform the jobs of other members of the service department.

Knows, understands, and performs all duties of the Tire and Alignment and Technician jobs.

Observes and follows all necessary safety regulations when operating machinery, equipment and tools.

Purchases and maintains the tools necessary to perform the various duties of the job.

Performs work of other members of the service department if business necessitates.

Any other duties either necessary for customer service or perceived by or assigned to the job.

PRIMARY INTERACTIONS

The Master Technician regularly interacts with location personnel, and occasionally interacts with business unit leaders, branch management corporate personnel, vendors, and customers.
